Paper Sewing Session \$10

Machine sewing on Layouts – it's a cool technique but seems to scare a lot of people so we thought we'd give you some encouragement. If you'd like to try sewing directly onto paper, come along to our drop in session and try it out in the store. Bring your own sewing machine too if you'd like. The session is open for 2 hours, with the 1-on-1 session taking about 15 minute a time.
