CLASS DESCRIPTIONS

The Late Night Crop \$20

This event runs from 6pm – 12am and includes supper, 3 door prizes, and refreshments and snacks. There are 24 spots available and you can come and meet new people, or get down to business and complete a project you are working on. There is always fun to be had at our crops and it is definitely an excuse to get out of the house and devote some time to your scrapbooking.

Scrapbook Basics \$FREE

In this class the instructor will go over how to use the most common tools, adhesives and embellishments in a casual atmosphere, and will then help you put together a layout using some of the techniques learned in the class

Doodling \$10

Doodling is fast becoming a favorite trend in the world of scrapbooking. Join Lisa for our most popular class, learn some basic doodles, and make 3 fun layouts. This class is for all levels of scrapbookers and doodlers, from seasoned pros to newbies. Everyone can benefit from trying something new!

Ranger Technique Class \$25

Okay, so how many of us have stared at all the AMAZING Ranger product going “what on earth is that for”? Well this class is the perfect way to learn a few new techniques and teach you what exactly all that product is meant for, plus you walk out with 3 single page layouts! The possibilities are almost endless, so we have 3 different versions of this class running in the next two months. This is a MUST take class!

Card Class \$20

In this class you will be making 5 general themed cards with the latest and greatest products, and focusing on a new technique each week as Juli uses the new products that we receive weekly to create beautiful cards!

Hambly Transparency Class \$25

Finally a class dedicated to using the fabulous Hambly products. These transparencies are just on a whole new level of quality, beauty and possibilities. You will be making 3 stunning layouts so be sure to check this one out for tips on how versatile this product can be!

Chipboard Technique Class \$30

In this class you will be making 3 single page layouts designed around the flair and beauty of the Buzz and Bloom chipboard all the way from Australia. You will learn multiple techniques to embellish on this fabulous product and will be shown several other ideas that you can take home and add to any page, card or altered project.

Paper Sewing Class \$25

Machine sewing on Layouts – it’s a cool technique but seems to scare people so we thought we’d give you some encouragement. If you’d like to try sewing directly onto paper, come along to this basic layout class. To participate, you must bring your own sewing machine.

Layout Sketch Class \$20

This class is all about sketches and their uses, from the simple to the complicated. Not only will you come away with a finished layout or two and enough sketches for 6 more layouts, you will have a fresh new way of thinking about sketches and how they can help you scrapbook.
